PRIDE IN OUR WORK

TRT International, where trust, reliability, and expertise converge to provide you with seamless cargo transportation solutions. With over three decades of experience, we have established ourselves as a trusted partner to clients worldwide. Our unwavering commitment to delivering the highest quality service in the logistics industry has earned us a distinguished reputation. Specializing in handling over-dimensional and overweight cargo, including flat racks and open tops, we take pride in efficiently managing even the most challenging shipments. Whether it's high, wide or heavy, our team of experts ensures secure and timely deliveries, making us the ideal choice for your logistics needs. Whatever your cargo requirements may be, trust TRT International to deliver tailor-made solutions that surpass your expectations.

OUR MISSION

At TRT International, we are steadfastly devoted to achieving the zenith of excellence in our industry. Driven by innovation, dedication, and a passion for surpassing expectations, we aspire to be the benchmark of quality, reliability, and customer satisfaction. Through fostering a culture of continuous improvement and embracing cutting-edge technologies, we aim to provide our clients with unparalleled solutions and services, while empowering our team members to reach their fullest potential. With a global vision and a local impact, we are committed to our pursuit of being the best of the best!

SPECIALIZED SERVICE

WAREHOUSING

With our strategically located warehouses, TRT International implements advanced technology and robust inventory management systems to streamline operations and provide real-time visibility into stock levels. This enables clients to have complete control over their inventory and access it whenever necessary, improving overall productivity and reducing costly delays.

Our headquarters in Port Newark offers 120,000 SF of warehouse space. In addition, we have a 30,000 SF facility within the port zone. Both facilities are conveniently located just minutes from all major terminals.

TRT International provides long- and short-term storage, cross-docking, OOG transloading, container parking, and more. All our warehouses are monitored by on-site security personnel and surveillance cameras 24 hours a day, seven days a week, keeping your cargo safe and secure.

SPECIALIZED SERVICE

OOG CARGO

TRT specializes in over- dimensional and overweight project cargo. With our state-of-the-art container handlers that provide 120,000 lbs lifting capacity, we can handle the toughest shipments. We are equipped with over 80 forklifts ranging in capacity from 20,000-80,000 lbs and special equipment such as RGNs, lowboys, perimeter deck trailers, and double drops which enable us to handle the shipment from start to finish.

SPECIALIZED SERVICE

EXPORT CRATING

EXPORT CRATING

TRT International has the equipment and experience to handle a wide range of crating requirements.

We provide custom export crating for machinery and specialized cargo weighing up to 90,000 lbs., preparing each shipment for domestic or international transportation by land, sea, or air.

SPECIALIZED SERVICE

LOCAL DRAYAGE

TRT International provides drayage services throughout New York, New Jersey, Connecticut, and eastern Pennsylvania, as well as in the Savannah, Georgia area.

We operate a modern fleet of Freightliner day-cab trucks and own over 300 company chassis, including tri-axles. With a fleet of 85+ trucks and a wide range of specialized trailers—flatbeds, step decks, RGNs, and perimeter trailers—we're equipped to move oversized, heavy, and irregularly shaped freight that standard trailers can't handle.

CONSOLIDATION

CONSOLIDATION

TRT International's cargo consolidation services help customers streamline shipments while keeping transportation costs under control.

By combining compatible freight, customers can avoid paying for unused space, reduce shipping costs, and move smaller volumes without waiting to fill an entire container.

Our air and ocean consolidation solutions provide greater flexibility, simplify the shipping process, and help maintain consistent cargo flow.

THE PINNACLE OF LOGISTICS EXCELLENCE

At TRT International, we deliver comprehensive logistics solutions backed by decades of industry experience, specialized equipment, and a commitment to dependable service. As a **bonded carrier,** we provide local bonded drayage services as well as over-the-road transportation throughout the United States and into Canada and Mexico. From port pickup to final delivery, our experienced team coordinates every stage of the movement with a focus on safety, efficiency, and on-time performance.

Committed to Sustainable Transportation
TRT International is proud to be a SmartWay Transport Partner. We continually evaluate our operations and invest in modern equipment and technologies designed to improve efficiency and reduce our environmental impact, including the use of electric forklifts and other lower-emission equipment throughout our operations.

Bonded CFS & Secure Cargo Storage
As a bonded Container Freight Station (CFS), TRT International provides secure and flexible cargo handling and storage solutions. Our facilities offer both indoor and outdoor storage to accommodate cargo of various sizes, weights, and handling requirements. With experienced personnel and specialized equipment, we efficiently manage everything from standard freight to oversized, heavy, and complex cargo.

Specialized Military Cargo Handling
TRT International has extensive experience handling military and other sensitive cargo shipments requiring careful coordination, security, and specialized handling. Our experienced operations team understands the unique requirements associated with these shipments and manages each movement with precision, discretion, and attention to detail—from initial pickup and handling through storage and final transportation.

Experience. Equipment. Capability.
Whether your cargo requires bonded transportation, drayage, warehousing, specialized handling, or cross-border transportation, TRT International has the experience, infrastructure, and equipment to keep your freight moving.
TRT International - Delivering Excellence since 1994.
